

# Sunscreen Permission Slip

As the weather gets warmer, the children will be spending more time outside. You may wish to provide me with sunscreen for protection while your child enjoys outdoor play.

If you would like for me to apply sunscreen to your child, please provide me with an unexpired bottle of sunscreen, labeled with your child's first and last name.

As with any topical medication or cream, the first application of any brand of sunscreen should be applied at home in order to evaluate your child's possible allergic reaction to that product.

I, \_\_\_\_\_,

give Michelle at Heavens Little Treasures permission to apply the provided sunscreen.
